

# Physical/Fun Activity

**Mark E. Dean holds three of nine PC patents for being the co-creator of the IBM personal computer which was released in 1981 long before you was born!**

**The computer he designed looked something like this!**

**Imagine Mark has asked you to come up with a brand new design!**

- 1. Use scrap paper, cardboard and craft supplies to create a new design!.**
- 2. Create a keynote speech introducing this new computer to the world and perform it in front of adults.**

**ADULTS: Don't forget to share with the private facebook group and if you share with your friends mention SankofaClub.com #SankofaClub.**
